

Fast trains can get you into Watford Junction from Birmingham, the West Midlands and the North West, then it's just a short coach connection direct to Heathrow Airport.

RailAir really is the best way to the airport. The coaches are smart, stylish and extremely comfortable, so you can sit back and relax into plush armchair seats and enjoy the short ride.

There's plenty of room for all your luggage in the large hold and there are additional racks inside above your seat.

The driver can help you with any awkward items.
